Date Acquired: 23-50 AUG. 1948

Source: Individual who has

1. The Polish freighter "Kilinski" arrived in Buenos Aires on 23 August 1948 from Gdynia and is expected to sail on 23 September 1948 from Buenos Aires on its return trip between 6-10 September.

2. Source observed few changes in the crew since the vessel's last voyage to Buenos Aires in April-May of this year, but ascertained that the leaders of the Communist cell aboard were the following:

Czeslaw ~~BRACZKIEWICZ~~, third officer. — 33 ~~Kilinski~~
(fnu) ~~TARNAWSKI~~, second engineer who was not on the
Kilinski's last trip. "
Zygmunt ~~BORKOWSKI~~, seaman. "
Boleslaw ~~OBRACZKIEWICZ~~, electrician. "

3. Source was advised that BORKOWSKI appeared to be the UB representative aboard.

4. OBRACZKIEWICZ, who was aboard the "Kilinski" on the last voyage also, is believed to be identical with the individual of the same name who was formerly electrician on the "Tobruk".
